Shipper and its authorised representative acknowledge that they are required to provide verified weights obtained on calibrated, certified equipment of all cargo that is to be tendered to steamship lines in accordance with the requirements of the International Convention for the Safety of Life at Sea ("SOLAS"). The duly authorised representative of the Shipper, whose name and signature are provided on this statement, hereby certifies that the above-mentioned shipment details have been provided in conformance with SOLAS. Shipper and its authorised representative agree that Vanguard Logistics Services ("Carrier") is entitled to rely on the accuracy of such weights and to counter-sign or endorse it as Carrier's own certified weight to the steamship line carrying the cargo. The shipper and its authorised representative remain fully responsible and liable for the accuracy of the weight listed on this Verified Gross Mass Statement ("VGM") also when a third party has been entrusted to weigh a container and report the VGM on their behalf. This VGM must be provided to Carrier before the expiration of the VGM cut-off date and time indicated above in order to ensure loading on board the vessel. Shipper and its authorised representative understand and agree that a missing, incorrect or late VGM may result in non-acceptance of the shipment by the steamship line and cause a delay in the originally planned schedule. Shipper and its authorised representative agree that they shall indemnify and hold the Carrier and its agents harmless from against all claims, losses, penalties or other costs resulting from incorrect or inadequate verification of the weight provided on this VGM or from a missing or late VGM.
